

**EDUCATION WORKSHEET  
CLINICAL SOCIAL WORK**

Print clearly or type the following information.

APPLICANT NAME \_\_\_\_\_

**I. GENERAL INFORMATION**

You are required to complete 24 semester hours or 32 quarter hours of graduate level coursework in theory of human behavior and practice methods as courses in clinically oriented services within an accredited school of social work program. (Only one research course may be counted towards the coursework requirement). Do NOT list fieldwork. Course numbers and titles should be listed as they appear on your official transcripts. You must submit a course description photocopied from a school catalog or a course syllabus for all courses listed below. If you were admitted to an advanced standing program, an official of the school which awarded your master's degree in social work must provide a letter, on university letterhead, verifying the specific courses completed at the baccalaureate level, which were used to waive or exempt completion of similar courses at the graduate level.

SCHOOL	COURSE NUMBER	COURSE TITLE	CREDIT HOURS
	526	The Evaluation & Treatment of Mental Disorders	3
	532	Advanced Research: Program & Practice Evaluation	3
	550	Advanced Interventions I: Comparative theories	3
	525	Advanced Social Work Interventions II: Individual s & Families	3
	504	Foundation of Social Work Practice I: Individuals	3
	512	Human Behavior in the Social Environment I:	3
	514	Ethnicity Gender and Class	2
	504	Foundation of Social Work Practice II	3
		Students must take a clinically oriented social work elective to meet licensing requirements	2

**II. PSYCHOPATHOLOGY**

List the graduate level psychopathology course you completed within an accredited school of social work program. You must submit a course description photocopied from a school catalog or a course syllabus for the course listed.

SCHOOL	COURSE NUMBER	COURSE TITLE	CREDIT HOURS
	526	The Evaluation & Treatment of Mental Disorders	3

**III. ADVANCED SUPERVISED FIELD PLACEMENT**

You are required to complete a supervised field placement which was part of your advanced concentration in direct practice, during which you provided clinical services directly to clients. An official of the school (Dean, Department Chair) which awarded your graduate degree must provide a letter on university letterhead verifying: 1) that the supervised field placement was completed during the master's or doctorate program; and 2) the setting in which you provided **clinical services directly to clients**.
