ARTICLE IX – Amendments

AMENDMENT I - ELIGIBILITY FOR PARTICIPATION IN ASBSU

Article I Section 2. **All students of the University who are currently enrolled in a minimum of three (3) credit hours, under standard or alternative fees, comprise the Associated Students, excluding faculty, staff, and affiliates; class auditors; and continuing education and concurrent enrollment students.** ~~All fee-paying students of the University comprise the Associated Students.~~

Article I Section 4. All elected and appointed officers of ASBSU must be campus-based members of the Associated Students. ~~All officers of ASBSU, elected, hired, and appointed, must be fee-paying students. All student officers of ASBSU, elected, hired, and appointed,~~ **All elected and appointed student officers of ASBSU** must acquire a cumulative grade point average of 2.5 on a 4.0 grading scale prior to assuming their position. They must also receive a 2.5 GPA or higher each semester while in office. Failure to do so will result in immediate removal from office.

Rationale: ASBSU defined eligibility for participation by the term “fee-paying student.” This term had no clear definition and was inconsistently applied, which resulted in hundreds to thousands of students being denied voting eligibility. The amendment is intended to clarify our processes and expand voter eligibility to more students, including online students.
