

Comprehensive Exam Approval

Purpose: This form officially documents the passage or failure of each element of the comprehensive exam.

Procedure: Students completing their comprehensive exam should print and bring this form to their oral presentation. At the end of the oral presentation, the members of the supervisory committee will confer and come to a consensus on if the student successfully completed each of the elements below. The student and the committee members will sign the completed form and return it to the program administrator. **The oral presentation and submission of this form must take place on or before the last day of final exams so a grade can be entered.**

- If all elements are successfully completed the student will be assigned a grade of P on BME 691.
- If a student does not successfully complete all elements of the exam they must complete the Report of Failure of Comprehensive Examination form available on the Graduate College website.
- Students may request to attempt the comprehensive a second time. Please refer to the comprehensive exam policy, and contact the program director for guidance.
