Why Aarhus?

Study at [Aarhus University](#) in Denmark with a variety of classes offered in English.

Aarhus has long been known as a cultural center, offering a rich and varied selection from just about every cultural genre. Also, the city's fine sports and leisure facilities include sports arenas, bicycle paths, tennis courts, golf courses, horseback riding, boat marinas, a Tivoli park, and much more.

Academics

Exchange students enroll in 25-30 European credits per semester (12-15 US credits). View [current courses taught in English](#).

Please note: Most students should take Bachelor level course work unless they have already taken several classes in their major field of study. Masters level courses are equivalent to our senior level and will require the completion of prerequisites for entry and special approval by Aarhus.
