Why Edge Hill University?

Edge Hill was established in 1885 as a teacher training college. The modern campus enrolls over 13,000 students. Awards and recognition include, "Modern University of Year, 2022, "UK No 1 student accommodations", and "UK Top 3 university facilities". The green campus offers full services not found on some UK campuses and offers the chance to live in the heart of England.

Academics

Edgehill offers a full range of courses to study abroad students including: Biology, Business, English, Computer Science, Creative Writing, Criminology, Dance, Education, Geosciences, History, Kinesiology, Law, Media, Political Science, Psychology, Sociology, and more.

In the UK classes are called "modules". Students take 60 UK credits in a semester which equals around 15 US credits.

Some UK universities have year long courses and are only available to year long students. Semester 1 classes are Fall, Semester 2 classes are Spring. Check the catalog closely to see the if the class is offered for a semester or year.

The current catalog can be found [here](#).
