

Global Engineering Education Exchange (GE3)

DIRECT EXCHANGE

Where can I study?

Africa/Middle East

Egypt
Israel

United Arab Emirates

Asia/Oceania

Australia
China
Hong Kong
Japan
Indonesia
Malaysia
New Zealand
Singapore
South Korea

Europe

Belgium
Denmark
France
Germany
Italy
Netherlands
Spain
Sweden

South America

Argentina
Colombia
Mexico

Eligibility

GPA: 2.75

Majors: Engineering

Grade level: Sophomore and above

Application Deadlines

Fall semester: mid March

Spring semester: September 15

Why the GE3 program?

Global E³ is an exchange program for engineering students: a student can study abroad while continuing to pay tuition at home. With member universities in over 20 countries, students at over 70 universities have the opportunity to study abroad.

Many universities offer course work in English. View the participating institutions [here](#).

Costs

- Tuition/fees: **Boise State fees** *
*non resident tuition will apply if applicable
- WUE/GEM/Treasure eligible: **Yes**
- Boise State employee dependent fee waiver: **Yes**
- Application fee: none
- Study abroad/exchange fee: **\$400/semester**
- Housing: **Varies by location**
- Student visa fee: **Varies by location**

Housing

There are a variety of housing options available to students in on the member campuses.

Information about housing is found on the [GE3 site](#) under each campus description.
