## Academic Advisor Recommendation Form – J-1 Academic Training

Academic Training (AT) is an off-campus work authorization for students in J-1 status. AT allows students to work in a position directly related to their field of study and suitable for their education level. All work authorization must be approved through the Center for Global Education (CGE) *before* work begins. An academic advisor's assessment of the appropriateness of the training and the relevancy to the academic program is required by federal immigration regulations. Please provide the information below so that CGE staff can complete this review process and make a determination on AT eligibility. If you have any questions then please contact International Student Services (internationlinfo@boisestate.edu).
