

questions to ask your insurance

We try to be an in-network provider with **most insurance plans**, but please get both the in-network and out-of-network information.

- **Does your plan cover procedure codes for medical nutrition therapy:**
 - 97802 for the initial visit (assessment)
 - 97803 for all follow-up visits
- **How many nutrition/dietitian visits are covered per benefit year?**
 - What is your benefit year?
- **Are registered dietitian nutritionists recognized providers?**
- **What types of conditions will they cover?**
 - Some may only allow certain conditions such as diabetes, heart disease or eating disorders. Others may allow any visits as part of wellness/prevention benefits.
- **Are your nutrition benefits subject to a deductible?**
