
NSSE 2022 Topical Module Report

HIP Quality

Boise State University

Expanding upon the Lumina Foundation-funded Assessing Quality and Equity in High-Impact Practices study, this module explores what makes HIPs high-impact, potential barriers for those who plan to complete a HIP, and why some students may not to participate at all.

About This Topical Module

This module explores what makes HIPs high-impact, potential barriers for those who plan to complete a HIP, and why some students may not to participate at all. Students received one of three sets of questions based on their responses to the core NSSE items about HIP participation. The *High-Impact Practices Report* contains more detailed information about HIP participation.

Survey flow

On the core NSSE students are asked, "Which of the following have you done while in college or do you plan to do before you graduate?" (done or in progress, plan to do, do not plan to do, and undecided) and for the service-learning item they are asked, "About how many of your courses at this institution have included a community-based project?" (all, most, some, none). Response patterns determine which of three HIP Quality item sets they received, as outlined below:

Done or In Progress

Did the student participate in at least one HIP?

Students who participated or were participating in only one HIP were asked to respond about that experience; those who participated in more than one were asked to select one. Excludes culminating senior experiences for first-year students.

Or

Plan to Do

If no HIPs were done, did the student "plan to do" at least one HIP?

Students who had not yet done a HIP but planned to participate in learning communities, research with faculty, an internship or field experience, study abroad, or a culminating senior experience were asked about those plans. Excludes service-learning which does not include a 'plan to do' option.

Or

Do Not Plan/Undecided

Students who responded to all HIPs with "do not plan to do" or "undecided"

Students who did not plan to do or were undecided about participating in any of the HIPs were asked about their interest in, knowledge of, and perceived barriers to participation in a selected HIP.

High-Impact Practices in NSSE

Service-Learning

Courses that included a community-based project

Learning Community

Formal program where groups of students take two or more classes together

Research with Faculty

Work with a faculty member on a research project

Internship or Field Experience

Internship, co-op, field experience, student teaching, or clinical placement

Study Abroad

Culminating Senior Experience

Capstone course, senior project or thesis, portfolio, recital, comprehensive exam, etc.

Note: The results contained in this report are unweighted. Conditional text is displayed in brackets [].

First-Year Students: Done or In Progress

These results are from students who participated in at least one High-Impact Practice. Those who participated in more than one were asked to choose one for their responses. Excludes culminating senior experiences for FY students.

17. What is [was] most satisfying about this experience?

This question asked students to respond in an open text box. Responses are provided in your "NSSE22 Student Comments" report and in a separate SPSS data file.

18. What is [was] least satisfying about this experience?

This question asked students to respond in an open text box. Responses are provided in your "NSSE22 Student Comments" report and in a separate SPSS data file.

These open-ended responses appear exactly as respondents entered them and may not be suitable for distribution without prior review.

First-Year Students: Do Not Plan/Undecided

These responses are from students who did not plan to do or were undecided about participating in any of the High-Impact Practices. They are first asked how interested they would be to participate in each. Those who were "somewhat" or "very" interested in one or more HIPs are asked follow-up questions about one of them (chosen at random).

First-Year Students: Do Not Plan/Undecided

These responses are from students who did not plan to do or were undecided about participating in any of the High-Impact Practices. They are first asked how interested they would be to participate in each. Those who were "somewhat" or "very" interested in one or more HIPs are asked follow-up questions about one of them (chosen at random).

28. So far at this institution, have you had any educational experiences that profoundly impacted you or that you consider life-changing? If so, please describe.

This question asked students to respond in an open text box. Responses are provided in your "NSSE22 Student Comments" report and in a separate SPSS data file.

These open-ended responses appear exactly as respondents entered them and may not be suitable for distribution without prior review.
