

Interested in Learning about Mild Cognitive Impairment and Dementia?

Join us on June 27 from 10:00 a.m.-11:30 a.m. (MDT) for a free interactive Zoom session!

Speakers for this event include Dr. Abhilash Desai, Mercedes Muñoz, and Tiffany Robb. They will speak on potentially modifiable risk and protective factors, criteria for diagnosis and available tests, available drugs and treatments, approaches to management of agitation in individuals with dementia, Idaho initiatives, resources and more!
