

Meeting with an academic advisor is an important step toward achieving academic goals. While we encourage students to meet with their assigned advisor, they may also schedule an appointment with another advisor outside of their major if they want to explore a different major, minor, or certificate

The Advisor Directory is available in the Student Success Hub student portal:

Log in to the student port and from the home page, click Advisor Directory in the upper right side

Once the directory loads, select the college and program you're looking for
