Notes: This report is based on the cohort model. Transfer cohorts exclude Second Degree-seeking, Dual Enrollment, Jump Start, and Non-Degree students. This report only includes cohorts of new transfer students (ASSOCXFER, BACHXFER, CERTXFER). Application and admission numbers are estimated based on admit type, not cohort. Application numbers include those from applicants who did not complete the application process and were not given any admission decision. Transfer class standing and average number of transfer credits are based on admit type, not cohort.
